

## **2nd Annual Paul J. Pasciuto Memorial Golf Tournament**

The 2nd Annual Paul J. Pasciuto Memorial Golf Tournament was held Saturday, May 20, 2006, at the Sheraton Colonial Golf Club in Lynnfield, Mass. For an entry fee of \$150 per person, some 36 foursomes arrived to compete in a best-ball Scramble, and were later treated to a sumptuous buffet dinner with award ceremony offering prizes to the winners.

Proceeds from the event funded two Paul J. Pasciuto Foundation Scholarships, which were awarded to Jonathon Kravitz, a graduating senior from Lynnfield High School and Michael Bouboulis, a graduating senior from Winchester High School. The foundation was established by family and friends after Paul's death in 2004.

Custom Machine, Inc., of Woburn, Mass., is a national leader in ultra-precision engineering and machining of components for discriminating customers worldwide.
