

### **3rd Annual Paul J. Pasciuto Memorial Golf Tournament**

On Saturday, June 23, 2007, the Sheraton Colonial Golf Club in Lynnfield, Mass. played host to the 3rd Annual Paul J. Pasciuto Memorial Golf Tournament, sponsored by the family of Paul Pasciuto. Under beautiful sunny skies, the tournament featured some 36 foursomes competing in a best-ball Scramble, as well as contests for individual hole-in-one, longest drive, and closest-to-pin.

For an entry fee of \$150, golfers were treated to greens fees, bag service, prizes and a Texas barbecue dinner. Varying levels of sponsorship, from \$100 to \$500, were also offered at the tournament. Proceeds from the event funded a gift of defibrillators to area school systems, thus assuring a timely and potentially life-saving response in the event of an emergency.

Paul Pasciuto, one of the owners of Custom Machine, Inc., was a 1987 graduate of Winchester High School, a long time resident of Lynnfield, and an active member of the St. Maria Goretti parish family. He passed away February 25, 2004 of sudden cardiac death. In his memory, family and friends established Paul J. Pasciuto Foundation.

Custom Machine, Inc., of Woburn, Mass., is a national leader in ultra-precision engineering and machining of components for discriminating customers worldwide.
